**Bambi is a
fuckable fawn.**

It's springtime and this little cutie is in heat. "I want to lose my virginity over spring break. My friends are planning a trip to the beach, and I'm dying to find a hot lifeguard to go down on me and pop my cherry in our hotel room."

BAMBI

**"Will someone please
fuck my pussy?"**

Would you consider losing your virginity on the beach, Bambi?

"That would be so hot! I came close to that once, and I wish I could've, but there were too many people around. We were in the water and started making out. I had my legs wrapped around his hips and I could feel his hard-on poking me in the crotch. I rubbed my pussy on it till I came. I wish I could've fucked!"

Are you an exhibitionist?

"I think I have it inside of me, but I'm a little shy to let it out. The idea of having sex in public and maybe even getting caught makes my pussy tingle. But it's definitely on my bucket list of things to do."

This nerdy babe has a dirty, little secret.

Sure, she has braces and gets straight As. But the science club isn't her only extracurricular activity. Karly gets her cum on after class, too. Sometimes on her own, and sometimes with a hard cock.

**How did you end up fucking
this guy, Karly?**

"I joined a science club because it was filled with cute boys. I stayed late one day to work on a project with one of the guys, but we didn't get very far. At least not with the project. We did go all the way with sex though! We fucked in the classroom."

KARLY
HEIGHT: 5'2" **WEIGHT:** 116 lbs.
BRA SIZE: 32A **BORN:** Dec. 7
LIVES: Tacoma, Washington

**Did you
plan to
fuck him in
class?**

"I knew I wanted to fuck him, but I didn't think it would happen in class. But once we started kissing, I had to have his cock in my mouth and pussy right then and there. I didn't care that we could potentially get caught. I needed to cum, and I needed his cum." Watch the video in *Cum On My Braces*. Order it at eboobstore.com.

HARLEY

**"Fuck me from behind
and fill me up."**

Harley is begging to be taken for a ride.

"When I'm at school, all I can think about is sex. I count the seconds till the bell rings so I can rush home, peel off my soaked panties and rub my pussy till I cum. I wish I had a nice, fat cock instead of just my hand!"

What goes through your mind at school?

"I feel horny in my body and I fantasize about different sex scenarios. Sometimes I just space out thinking about a cock sliding in and out of my pussy. I like to look around whatever class I'm in and day-dream about who I'd fuck."

HARLEY

HEIGHT: 5'5" **WEIGHT:** 123 lbs.

BRA SIZE: 34B **BORN:** March 24

**What's your favorite
sex position?**

"Definitely doggie. There's something so hot about being bent over with my legs spread and my ass up in the air, getting rammed hard from behind while I scream."

**Where do you like the
guy to blow his load?**

"Deep inside my pussy. There's a certain way a guy fucks you when he's about to cum. It's harder. More intense. When I feel his cock throbbing and spraying inside of me, it makes me cum too."

**Daisy and Heather were
going on Spring Break
with one goal in mind:
getting Heather laid. But
when 48 hours had passed
and she still hadn't gotten
any action, an off-hand

SPRING BREAKIN' IN

By Joe Monks

Daisy was getting antsy. Actually, she'd been antsy for the past two days, all because of Heather. Heather, and her virginity, which was threatening to wreck their spring break. It was late, Daisy was jet-lagged and all she wanted to do was brush her teeth and get some sleep. But Heather was in the bathroom—again—and Daisy knew exactly what she'd hear if she put her ear to the door. Her best friend, moaning into a washcloth, and the telltale *thru-m-m-m-m* of her vibrator. A vibrator that was, despite Heather's denials, already on its second set of batteries. Daisy raised her hand to knock—again—but thought better of it. Instead, even though she felt embarrassed, she leaned closer, and listened. Sure enough...

Daisy felt bad. She hadn't lost her cherry all that long ago herself, and she'd been one horny minx in the months leading up to her first time. But even she couldn't remember masturbating this much, or being so damned desperate. On their flight from Seattle, all Heather had talked about was getting laid. At times, loud enough for the woman in the aisle seat to make faces at them. That hadn't stopped Heather, though, who'd been asking Daisy for tips on cocksucking just before they'd landed. On the connecting flight to Cancun, the aisle passenger had been a nice looking older guy, and Heather had taken the middle seat, all but throwing herself at him right there in coach. The wedding ring on his finger? Hadn't dissuaded her. They'd landed in Mexico with her asking him where he was staying and if he'd be on the beach that night. He'd smiled and given her the name of a hotel. A hotel that, not sur-

prisingly, didn't exist.

That had been enough to send her into the bathroom, allegedly to shower. But Daisy had seen the vibrator in Heather's bathrobe pocket. Half an hour later, she was still in there.

Just like she was now. When Daisy knocked, telling Heather to hurry up so they could eat, Heather told her to come in, she was almost ready. Daisy did, and it was hard not to use the mirror to get a glimpse behind the shower curtain.

The tub stood by itself, big enough to fit four, according to the brochure. Something they'd joked about, but Daisy doubted would happen. Not that Heather wasn't attractive. She was. She was only a couple of pounds heavier, and her boobs were the beneficiary. Heather sported a full B-cup, and while that also gave her some hips, she had nice proportions. Seeing her sitting on the edge of the tub, the vibrator buried in her pink, Daisy couldn't deny it. Any guy who could get past Heather's desperation for dick was going to have himself a helluva good time.

Daisy looked away when she heard Heather's breathing, wanting to finish before her friend came. True, it wouldn't have been the first time the pair had experienced orgasms around one another. Daisy had bought Heather the vibrator she was now using, in fact. Still...the tingles she got down there whenever Heather was getting off? Made her feel weird.

Like now. Daisy didn't need to spend this much time in the bathroom...but she managed to. Luckily, Heather never opened her eyes. Now that would have been uncomfortable. Daisy wondered, though. Why wasn't the curtain closed all the way? Did Heather maybe know Daisy was watching?

Nah, couldn't be. They were best friends. She'd know.

Wouldn't she?

They were both straight, there was no doubt about that. Daisy had been with two guys already, although she wasn't currently seeing anyone. And sure, she and Heather had gotten off in front of each other a couple of times, but it wasn't like, a regular thing. They'd both christened the vibrator on Heather's birthday, and since then, they'd traded off on a life-like dildo Daisy had bought online, but it wasn't like that made them lesbians or anything.

Right?

She shivered. Heather was bucking her hips. Daisy couldn't stop staring. Her legs were pressed together so hard it hurt. She took one last look in the mirror. Heather was biting her lower lip, legs spread, the plastic cock buried so deep in her twat Daisy couldn't even see the twisty-knob at the bottom.

"I'll meet you downstairs," she croaked, scurrying from the bathroom. She was already dressed, but stopped by her suitcase.

A fresh pair of undies was in order.

The afternoon was going as expected, unfortunately. No doubt, Daisy was looking to get a little, too. But Heather... Heather was a mess. They'd just returned to the cabana to re-apply their lotion when Heather plopped down in her lounge and held up her glass.

"Pina colada. Virgin, of course. Just like me."

Daisy didn't have the heart to tell her to give it a rest, even though Heather was making the trip miserable. She was thinking of something to say when a knock sounded and

"Do it, Daisy. Stick your fingers up me and make me cum!"

Roberto's tongue dragged across it, his hand digging into her suit, fingers going straight for her pussy.

The whole thing—from Roberto knocking on the door to Heather's suit dropping around her ankles—had taken about thirty seconds. Daisy was still sitting in her lounge, the tube of lotion still in her hand. Then, adding to the surreal scene, Heather started to cum.

Daisy knew it was happening. After all, she'd seen Heather cum before. Plenty of times, now that she thought about it. Was that kinky? She wasn't

sure. She'd never heard other friends talking about it, even about their bestie. But she put that aside, feeling the spread of warm syrup leaking into her bikini bottom.

Should she leave? Was it cool to just sit here and watch her friend get banged? Should she sneak out and walk to the beach, and hope nobody saw the dark stain in her suit bottom before she got into the water? Would anyone notice her fingering her pussy if she went out deep enough? It'd have to be pretty deep. Her nips were screaming: Horny! That's me! Anyone got a dick they can share? Her pussy was on fire!

Roberto might not have figured out that Heather was gushing into his palm because she was already getting off, but he got the message that she was as ready as any girl had ever been to shoot around third base and head for home. He lifted her off her feet, kicked aside her damp swimsuit, and guided her onto the lounge, flashing Daisy a grin.

"You're not thinking of leaving, are you?" he said, as if able to read her mind. "Enrique is my cousin. He'll cover for me as long as it takes."

Roberto couldn't see it, but behind him, Heather was nodding up and down, holding up her hands about eight inches apart.

Daisy nodded, and shifted on the lounge. Her suit squelched. Her lips were outlined like she'd drawn them with an eyebrow pencil.

Continued on page 36

Roberto poked his head in.

"Refills, ladies?" he asked, flashing them a smile. So far, Roberto was the highlight of the trip. He was on top of everything, including their cabana, which was small, but much nicer than they'd expected. The fan worked great, the docking station had great sound, the ice bucket was always full. Daisy's dad must've tipped in advance.

"No thanks," grumped Heather. Daisy rolled her eyes. Roberto gave her a sly wink.

Guy's probably seen it all, she thought, rummaging for the oil.

"Bueno," he said, backing out. "If there's anything I can do for you ladies—"

"Like getting me laid?" Heather said. "I'll remember you before we leave, promise."

"Heather!" Daisy exclaimed, turning to face her. She'd said it half-heartedly, but sank into her chair, mortified.

"I'll...do what I can, ladies," he said, and was gone.

"Are you crazy?" Daisy said, squeezing way too much lotion into her hand. "Why don't you stand on the corner tonight outside the hotel?"

She wished she hadn't said it. Heather looked like she

might cry.

"Here," Daisy said, backing off. "Unzip your suit, I'll get your back."

Heather did, turning away. Daisy started rubbing in some lotion. A song they both liked started playing. Daisy felt her starting to relax. She was about to say something when the door to the cabana opened, and Roberto stepped in.

Daisy's and Heather's jaws dropped. Roberto wasn't wearing his resort t-shirt. Or his deck shoes. Or his white linen pants. Instead, he had on a pair of rather snug-fitting workout shorts. Very snug.

"Enrique will cover for me," he explained. "That is, if you'd still like me to take care of you?"

Daisy wasn't sure, but she would've sworn on a stack of bibles that in the last thirty seconds, Roberto's bulge had grown a full inch—and it had been pretty impressive when he'd first walked in. Heather took one look at the outline of Roberto's throbbing cock and swung around, her bathing suit slipping further down her chest. Daisy could see the tops of her nips, hard and ready. Roberto didn't hide his interest, encouraging Heather to get out of the lounge, pulling her suit down all the way to her waist. His hard-on looked enormous.

Heather's arms were around his neck, pulling his mouth to her swollen bud. It was so fat and so dark, Daisy thought it might pop.

Winter is every guy's favorite afterschool snack.

Who cares about a peanut butter and jelly sandwich when you could be snacking on her pussy? "I'm always home alone right after school, so I like to invite guys to come over and eat my pussy. If they make me cum, I'll suck their cocks and fuck them."

WINTER

"Big cocks are my favorite."

WINTER
HEIGHT: 5'5" **WEIGHT:** 115 lbs.
BRA SIZE: 34C **BORN:** April 17
LIVES: Indianapolis, Indiana

**Shouldn't you be
doing homework
after school?**

"I hate doing homework. There's this nerdy guy I invite over sometimes to help me with my homework. He basically does all the work for me, then I suck and ride him. It's a fair trade. I get to pass my class and he gets some pussy. And we both cum hard!"

Who's your favorite guy to invite over to your house?

"The nerdy guy, because he has a fat cock. And this one other guy who's already in college. His dick isn't as fat as the nerdy guy's but it's so long! He gets so deep inside me."

So basically what you're telling us is that you like big cocks?

"Yes. I love big cocks. I used to not care as much, until I was actually with a hung guy. I was like, I need more of this in my life. I love the way a big cock fills me up and makes me cum so hard."

SPRING BREAKIN' IN

Continued from page 28

Roberto turned back to Heather, who was pawing at his bulge. She wasted no time in her yanking down their cabana boy's shorts and exposing Roberto's monstrous cock.

"Is-is that going to fit in me?" Heather blurted, drawing a laugh from her worked-up companions. Daisy reached behind her back and undid her top, letting it fall away. While she didn't have much going on upstairs, Roberto didn't seem to mind, reaching over Heather and running his thumb over her bare boobs.

"Nothing phony," he said in heavily accented English. "I like that."

Heather, who'd already lost out on a couple of guys to big-titted stripper types, squealed, grabbing hold of Roberto's turgid meat.

"Easy, chica!" Roberto said. "I'm not going anywhere!"

Heather was, though. Going down. She got on all fours and wrapped her lips around the head of his dick, slurping away at it like it was ice cream melting down the cone. Clearly, Heather's heightened enthusiasm wasn't negatively impacting her virgin cocksucking. She had a hand wrapped around Roberto's thick shaft, jacking his pole while she tried to swallow the rest of him. Daisy wasn't sure if Heather was trying to suck the jizz out of him so he wouldn't have to wear a condom when he finally slammed it in her box, or she was so taken by her first experience that her brain was stuck on: suck.

Daisy met Roberto's eyes again. Sure, she'd given head and let Steve Clarke take her cherry a few months back. But she'd never participated in a three-way, and while she had some thoughts—some really

naughty ones at that—she wasn't sure what she should be doing. Not that watching Heather give her first blow job wasn't pretty fucking hot.

Roberto gestured with his chin. Daisy wasn't sure what he was motioning toward. Or maybe she was, she just didn't know about going there. Roberto, though, planted his hand on the back of Heather's head, generating a purr of delight, and made the gesture again. Still struggling with the idea, and desperate not to get it wrong, Daisy pointed, first at Heather, and then down at her own, naked muff. Roberto grinned wide, and nodded.

Daisy gulped. Heather might have been so horny she was willing to fuck anyone who gave her the time of day, but letting Daisy touch her? Down there?

Roberto made a hand gesture that was, in a word, unmistakable. Then he gave her a thumbs up. Heather had about six inches of his rod buried in her mouth, probably tickling the back of her throat. She was breathing hard around his cock, and Daisy could tell she was on the verge of a second orgasm.

"Who would know?" said a little voice in her head.

Daisy doubted Heather would tell anyone. Well, probably wouldn't.

Fuck it...

Daisy slipped in behind her on the lounge, her legs dangling over the side. Heather's ass was angled so that she was staring right into her brown-eye. As well, she could see the upside down V where Heather's lips were spread, and the droplets of snatch gravy oozing out of her untested fuck tunnel. Roberto wasn't watching any more. Instead, he had his eyes closed, concentrating on Heather's noisy oral.

"She's your best friend," said the little voice. "She'll be okay with it...."

Daisy worked up her courage, put her left hand on Heather's ass, then shoved her middle and index fingers into her cunny.

Heather howled in surprise, although with her mouth jammed full of dick like it was, it came out more like "Hwramaharam!" But she didn't stop sucking. She didn't look back, aghast at what Daisy was doing. She didn't pull forward so

Daisy's fingers would come out of her. Instead, she thrust back, clamping her muscles and shaking her ass from side to side.

Daisy and Heather had been BFFs since 4th grade. Most times, they knew what the other was thinking without having to say a word. And right now, Daisy knew that what Heather was thinking was: *Do it, Daisy. Stick your fingers up me and make me cum!*

So that's what she did. She finger-fucked Heather in earnest, while Roberto reached down and began playing with her stiff nubs. Daisy could've counted it down out loud, but didn't want to give him the wrong idea.

Three...two...one...

Heather exploded. She threw herself back so hard, Roberto's dripping penis flew out of her mouth, leaving a streak of saliva and pre-cum across her cheek. She shrieked, coating Daisy's hand with her slit drippings.

Roberto saw the opportunity and took it. While Heather was still grinding her cunt into Daisy's fingers, he grabbed hold of her sweet ass and threw her down on her back, pulling her sticky thighs apart and aiming his torpedo at her fuckhole.

"What do you say, Heather-r-r?" he said, rolling his Rs. Daisy wondered what it would be like to have that tongue rolling over her tingly clit. Heather reached out, and grabbed Daisy's hand. Her grip was like iron. She nodded at Roberto, but she was looking at Daisy.

"You get 'im, girl," Daisy said.

The orgasm-howl from moments ago was nothing in comparison to the moan that Heather let loose when Roberto's man-thing split her lips and disappeared into her dick-deprived vag. Despite her desperation, Roberto still looked surprised at meeting resistance.

"First time, eh, mama?" he confirmed...before driving through it and turning Heather into a puddle of human butter.

Daisy's hand went numb five minutes into Roberto's twat-pounding. Heather's knuckles were white-white, and she was shaking the lounge so much Daisy thought it might vibrate into another dimension.

A young woman with blonde hair and purple-rimmed glasses is lying on her stomach on a bed with a purple shaggy rug. She is wearing a light blue cardigan over a pink top, dark jeans with a yellow belt, and pink shoes with white lace socks. She is smiling and reading an open book. A name tag above her head reads "JENNIFER".

JENNIFER

"I want to get fucked in all kinds of dirty ways."

She's an undercover freak.

At school, Jennifer is known as the quiet girl who gets good grades. What her classmates don't know is that she's as horny as she is studious. "People think I'm such a nice girl. If they only knew the filthy things I think of and all the pervy stuff I'd like to try, like deepthroating a giant cock and having sex in public places."

What's the freakiest thing you've ever done, Jennifer?

"This guy and I were in the front patio of my parents' townhouse making out. He had me pressed up against the wall and was fingering me while I jacked him off in the rain. Any of the neighbors could've looked outside and seen us."

JENNIFER

**Did you
ever fuck
that guy?**

"Yes. He came over and I rode his cock on the couch. I came twice. We had to finish because my parents were coming home, but it was so hard to peel myself off his cock."

Where did he cum when you fucked?

"In my mouth. And I swallowed every drop like a good girl. We're planning to do a creampie soon. It will be my first time ever doing that, and I'm looking forward to feeling that and then pushing the load out of my pussy. See? I told you I'm not such a nice girl."

Who is tutoring whom here?

Elena's parents hired a tutor for her, but she's the one showing him a thing or two. Like how well she can suck cock down to the balls and fuck it.

**Did you

**Has another woman ever

"No. This was my first time ever being with a woman and it was my first three-way. Mrs. Giancarlo licked my clit better than anyone before. I felt like I was gonna squirt!"

**Which one of you

sion. Tears were streaming down her face, but Daisy knew that while taking a dick the size of Roberto's for the first time might've been a little painful, Heather wasn't feeling any ill-effects from having her box filled.

Roberto pushed himself up, and nodded for Daisy to come closer. He took her hand, brought it to his lips, then proceeded to suck it dry.

"Ahhh," he beamed. "La chica es like sugar!"

"Ohhh, really?" Daisy said, thinking back to that time she licked Heather's vibrator. He was right. She did taste sweet. Their eyes met, and he nibbled on the tip of her finger. She wondered what he was thinking.

And then she knew. Just like she could talk to Heather without words, she knew what he wanted her to do. This time, she didn't hesitate.

Daisy turned around, Heather's hand still clutching hers. Like a gymnast, she straddled Heather's upper body, feeling her friend's rock-hard nipples drag along the backs of her thighs. It made her ooze. She looked down into Heather's face, saw the excitement. Didn't need to ask if this was okay or not. It wasn't just okay—Heather wanted it.

Daisy fit her slot against Heather's tongue, the pressure on her button sending shivers up her spine. Heather ate her like she'd been thinking about it for some time. Daisy, who was already turned on beyond measure, felt an orgasm starting to build.

She wasn't alone, either. Heather, who'd already creamed once around Roberto's fuck stick, was rapidly approaching another one. The towel under her was soaked like she'd just stepped out of the water.

"Te gusta, Heather-r-r?"

"Mmm-hmm!" she gasped. Finally letting go of Daisy's hand. She fingered Daisy's folds, pulling them back to zero in on her gooey center.

That time, they came together, Daisy throwing her head back and crying out as she rode Heather's face to a climax that nearly short-circuited her nervous system. When Heather

came, her mouth glued to Daisy's snatch, it sent spasms through both girls, and a wave of cum running down Heather's chin.

"C-c-c..." Heather began, unable to get the words out. Daisy wasn't helping, playing with her titties the way she was. But, she tried.

"What is it, babe?"

Heather shook her head. "C-can-can't take m-m-much more...Gonna...pass out."

Daisy didn't think she was exaggerating. One night, Heather had tried to see how many times in a row she could cum. After about six, she'd curled up on her side, shuddering, the vibrator they'd been sharing buzzing on the floor. She hadn't even been able to turn it off. And, although it'd already come out of Heather's pussy, well, that hadn't stopped Daisy from using it.

Still straddling Heather's chest, Daisy looked back at Roberto. Their cabana stud didn't seem on the verge of shooting his load just yet. She looked down at Heather, whose eyes were practically rolling back in her head. She was toast.

But Roberto...He'd been so good to them. Daisy couldn't imagine calling an end to things like this. Heather had cum, what? Seven times now? Maybe eight? Plus, Daisy had him to thank for the two she'd enjoyed mounted on Heather's face. He deserved something extra. Something special. She looked over her shoulder at him.

"Slow up, hombre, gimme a second with my girl."

Daisy flattened herself against Heather, whispering into her bestie's ear. Heather's eyes went wide.

"No way!"

Daisy just nodded.

"I'll still let him shoot all over you, though," she promised, kissing Heather. Their tongues met.

"Really? You will?" Heather asked. Daisy nodded.

"You, girl, are gonna be wearing his jizz. And I bet he shoots a ton!"

Heather mewed. Daisy looked back at Roberto.

ing out almost all the Spanish she knew. "Pero..." She leaned forward again, and patted her ass. Roberto gaped at what Daisy was offering.

"Just start slow," she said, resting her chin on Heather's shoulder. Heather hugged her tight. "Back there? I've got as much cherry as my friend here just lost."

Daisy felt Heather's lube, still slathered all over Roberto's fuck muscle. She trembled as he pressed into her tight ring. Heather kissed her, hard and deep.

Or was it Roberto who was hard and deep? Daisy was pretty sure at various times, both of them were. It was a little hard to remember every detail, though, because a couple of climaxes in, when she lost count, everything became a blur.

There was a knock. All three looked at one another. Roberto, who was dressed again, called for the visitor to enter. All Daisy had on were her bikini bottoms, her flat boobs bare. Heather was wrapped in a towel—the one she'd been using to soak up Roberto's load. A slender, cute kid of about twenty stood there. Roberto asked him what was up.

"Nada," the boy responded. "Shift's over."

Roberto looked at the iPod dock. Sure enough, it was six o'clock. Quittin' time. He told his cousin to wait outside.

"You should get dressed," he said. "We will take you to dinner, me and my cousin."

"Dinner, eh?" Heather asked playfully. "That's all?"

"Dinner, then we will bring you back to the hotel. Like gentlemen," he promised. Daisy believed they would do that. Heather wasn't interested.

"Have you tried the tubs?" she asked, sitting up, her towel falling open. "Do they really hold four?"

Roberto smiled and tilted his head. "I've always wondered."

"We'll meet you in the lobby," Heather promised, pulling her suit back on.

"You good with this?" she asked Daisy, after he'd gone.

"You kidding? I'm dying to know if the tub holds four!"

As it turned out, it did.
